PARS STATUS - ONLINE

Our new Pars Status - Online program is designed to deal with The October 15th, 2007 deadline by The Canada Border Services Agency for mandatory EDI customs clearance and full shipment disclosure.

Carriers, Dispatchers and Importers can now check their PARS status online at www.lmclark.com for the following data:

Transaction Number
Cargo Control / PARS Number
CBSA Acceptance Date
Status / Entry Accepted

This ensures that there are no delays to a customers goods once they arrive at the border.

Process

Simply click on the PARS Button as shown below, enter the Carrier code for all shipments by this carrier or the actual Cargo Control number for a specific shipment status.
